Objectives:

- Delivering Covid-19 hygiene rules to the public through market committee members and transport workers.
- Encourage everyone to use masks in the market and on public transport.
- Raising awareness about Covid-19 among market committee members and transport workers..

Description (Briefly):

12 meetings were held from 15 to 28 February with the participation of market committee members and transport workers to raise awareness about Covid-19 and ensure hygiene in the market and public transport. Through these half-day meetings raise awareness among participants about the symptoms, remedies and prevention of Covid-19 and the do's and don'ts of Covid-19. Participants in the meeting highlighted the current situation of Covid-19 in their workplace. They said most people do not follow hygiene rules to prevent Covid-19 and they are not very aware of this either. Members of the market committee and transport workers came out with a discussion on what to do to prevent Covid-19. Participants pledged to work from their respective platforms to prevent Covid-19.

Link of Media Coverage (If any):**Immediate outcomes/ Key Achievements:**

- The members of bazar committee promise not to provide services without masks in their shops.
- Participants pledged to vaccinate themselves against Covid-19 and to inspire others to do the same.
- Participants raise awareness on Covid-19 prevention.
- Commitment to motivate public transport passengers to wear masks.

Key Challenges:

- Market committees are not active.
- Busyness of transport workers.
- Finding the right venue for the meeting.
- COVID-19 situation.
