Objectives:

- To spread the significance of the day among all
- To sensitize mass people about the day.

Description (Briefly):

As part of project activities the International Women's Day 2021 is celebrated in 24 unions of Thakurgaon and Panchagarh districts with the slogan 'Women in the Leadership: Achieving and equal feature in COVID-19 world '. A seminar and a adolescent girls bicycle rally were held to celebrate the day. About 1000 adolescent girls participated in bicycle rallies. The rallies started from different schools and Union Parishad premises and went around different roads of the Union. Union Parishad Chairman, teachers, CSO members and students addressed the discussion meeting held before the start of the rally. They said in their discussion, development of society is not possible without the progress of women. Men and women must work together to tackle any crisis like the Corona epidemic. Therefore, women leadership must be created in the society. And just as women will work to create this woman leadership, others in the society also have to work in a supportive role. They said that organizing events like bicycle rallies will help in building the confidence and morale of the adolescent girls. As a result, the seeds of leadership will be sown among the adolescent girls now. They thanked MKP and NETZ-Bangladesh for organizing this event.
